

Oregon Synod Congregation Lay Voting Members for 2024

The number following the name of your congregation or mission start is the number of voting members allowed based on your baptized membership. This does not include your optional additional voting members as defined in the Rules of Assembly. This is based on the CD150 report from Churchwide as of December 31, 2022, released in October, 2023. Based on the Rules of Assembly, congregations that did not submit a report are limited to 2 voting members based on baptized member count regardless of the number of baptized members they actually have.
