

## Oregon Synod Congregation Lay Voting Members for 2025

The number following the name of your congregation or mission start is the number of voting members allowed based on your baptized membership. This does not include your optional additional voting members as defined in the Rules of Assembly. "Additional voting member" allows the congregations up to 2 youth (14-18) young adults (18-30 at time of event), up to 2 who identify as LGBTQIA+, and up to 2 who are persons of color or whose first language is other than English. This is based on the CD150 report from Churchwide as of December 31, 2023, released in August, 2024. Based on the Rules of Assembly, congregations that did not submit a report are limited to 2 voting members based on baptized member count regardless of the number of baptized members they actually have.
