Delk Fund Grant Program
2025 Congregational Grant Application
Summer Grant Cycle

In the last few years, churches have been dealing with an identity crisis in a changing world—who are we now that global pandemic changes have become a challenging routine? Who are we in the face of cultural shifts around race, privilege, and religion? How do congregations move forward without reverting to a "normal" that no longer exists? **What children- and youth-focused ministry project could help your congregation move into a new future?** Describe your congregation's project and tell us how it will be a source of God's love in your community.

- **Delk grants are for children- and youth-focused projects.**
- Please see the cover letter, which contains helpful instructions for completing grant application: <http://oregonsynod.org/index.php/about/endowment/>
- Individual grant awards for the Delk Fund Grant will be \$500-\$2,500.
- No more than ONE Delk Fund Grant request per congregation per year, please.
- Report back on your project (stories, pictures, etc.) preferably within 2 months of the completion of your project, but no later than **January 2027**.
